What is a Youth Service Center (YSC)?

Simple answer - a YSC is to Middle School what a FRC (Family Resource Center) is to Elementary School. Long answer - a Youth Service Center is a place where any family member can come for assistance with any manner of needs. The YSC at Twenhofel runs small groups, meets with families to connect with resources, coordinates College and Career activities .. the possibilities are endless! Have a question? Need some school supplies? Want a list of affordable dentists in our area? Just reach out and ask! Mrs. Koehler is always happy to help!

What is the best way to get in touch with the YSC?

Reaching out is simple - just contact Mrs. Koehler at the above listed phone number or email. If you call the main school line, just ask to speak to Mrs. Koehler and you will be patched back immediately. The YSC is open M-F from 7:15 am to 1:45pm. Additional hours of availability can be easily adjusted by request! The YSC is also open during the summer to assist with needs and host programming year round!

How can I help the YSC?

Parent and community help is always wanted in the YSC! From time to time, the YSC will be in need of specific clothing items such as sweatpants and gently used shoes. Please reach out to make arrangements if you have a donation you'd like to make! The YSC also enjoys working with volunteers who can help with a variety of program needs such as events and fundraisers. Please reach out if you are interested!

YSC Programs and Activities Include:

- Before School Parent Events
- Small Groups, including: Attendance Groups, Soft Skill Building and WhyTry
- 4H Leadership
- Garden Club
- College and Career Speakers and Activities
- Summer Transition Camp and "Meet-Up" Events
- Substance Abuse Prevention Activities
